

March 2015

Dear Fellow Members

Once again it is time for your Committee to invite you all to re-join Woodbridge Tennis Club for the year 2015/2016. Your membership renewal form is attached.

The Committee and I look forward to you all rejoining and helping us to move the Club forward on your behalf and to a great year of tennis.

As you will see from the renewal form it was agreed at the AGM that we would have a small inflation level increase in the subscription fees for both Seniors and Juniors. This is to ensure that the club has sufficient reserves going forward in particular for any further major investment, which will be needed such as resurfacing the remaining courts, fencing repairs or fully renewing the floodlights. The fees are equal to £10 per month for seniors and £5 per month for juniors, which represents great value.

As in previous years we are also offering you a number of different ways in which to pay your subscription, which includes paying by Standing Order over a period of 6 months. We hope that this may assist some members in budgeting. Full details are set out on the renewal form.

Once again there is a great programme of events throughout the year. Please remember to make a note in your diary of these events from The Social Calendar, which will be sent through under a separate communication and come along to as many as possible to support the club.

Visitors are always welcome to play accompanied by a member for £2.50 three times a year. Prospective new members are allowed to play free of charge three times, thereafter, they are expected to join.

WTC looks forward to a full and busy year. Please rejoin, we shall look out for you on the courts.

Regards

Kurt Goddard
Chairman
